Welcome home to this beautifully updated 4-bedroom, 3-bathroom home featuring a heated saltwater inground pool with a sundeck-perfect for relaxing or entertaining all summer long. Designed for both comfort and convenience, the main floor offers a spacious primary suite and main-floor laundry. You'll also find a formal dining room and a bright, inviting living room with a vaulted ceiling and a cozy gas fireplace. Upstairs, you'll discover three generously sized bedrooms and a full bathroom, providing plenty of space for family or guests. The lower level offers even more living space with finished walls and a durable epoxy floor. The only remaining project is completing the ceiling, allowing you to add your own finishing touch while enjoying the space right away. The basement also includes abundant storage to keep everything organized. Please note that the existing security cameras and video doorbell are not included in the sale and will be removed before closing. A new standard doorbell will be installed at the front entrance before closing.
